(If registering for more than 4 classes please use reverse side.)

Your tuition amount is an annual rate, derived from your schedule, and divided into five equal payments. **Tuition is due by the first of September, November, January, March, and May.** A 15% late fee will be applied to payments received after this. The May and June payments are due no later than May 1st, 2020 for everyone participating in the annual production. Please refer to the Tuition and Schedule inserts for exact tuition amounts. If for any reason the student misses one or more of his/her regularly scheduled classes, including classes missed due to inclement weather or natural disaster which will not be rescheduled, the student has the opportunity to make up these absences in another class approved by the teacher.

**Registration** is required prior to entering your first class. There will be a **\$25.00 fee for New and Returning students.** This fee is a non-refundable registration fee to handle administrative costs as well as to secure a place in the class. Registration is valid through August 2020. There is the possibility that classes will be moved to different times or days, and classes with insufficient enrollment will be canceled. All DID students/parents agree to all of the studio's policies and procedures. Please see policy/procedure handout or visit our website for complete list.

**Parent/Guardian/Student waiver:** In signing this, you are aware that the student will be engaging in physical activity involving dance. As with all physical activity, injury or illness could occur, and there is the possibility of this being from minor to catastrophic. You agree that you or the student is voluntarily participating in these activities, and you will hold harmless Dimensions in Dance, Ballet Misha, Amy Fortier, and all faculty and staff. We cannot make any evaluation or recommendation that the student is physically fit for any physical activity. If the student has any physical condition that may impair their ability to engage in these activities, it is your responsibility to obtain a physician's statement describing any limitations to participate in this program. It is always advisable to consult a physician prior to undertaking any physical exercise program.
